

1. Testimony by N. Hema

- **Graduation Year:** 2023
- **Current Position:** HR at Ramky Infrastructure Pvt Ltd
- **Industry:** Infrastructure
- **Location:** Hyderabad, India

Testimonial:

"My time at VNITSW was a transformative experience that not only advanced my professional career but also reshaped my perspective on leadership and entrepreneurship. The MBA program's rigorous curriculum, combined with real-world case studies and group projects, provided me with a deep understanding of business management. The faculties were exceptional, and the diverse student body made for a dynamic and enriching environment.

One of the most valuable aspects of the program was the network I built with fellow students and alumni. This network has continued to offer support and opportunities long after I graduated. Today, as a HR, I rely on the analytical and strategic skills I developed during my MBA to make informed decisions and drive growth in my company."

2. Testimony by B. Sai Siri

Graduation Year: 2020

- **Current Position:** Business Development Associate at Byju's
- **Industry:** Education
- **Location:** Hyderabad.

Testimonial:

"Completing my MBA at VNITSW was one of the best decisions I made. The program not only honed my business acumen but also gave me the opportunity to grow personally and professionally. Through the leadership development programs and internships, I was able to apply theoretical knowledge to real-world situations, which gave me a distinct advantage in the competitive job market.

Additionally, the program's focus on innovation and entrepreneurship opened my eyes to new ways of thinking and solving problems. Today, I lead a team that is focused on innovation in the Education sector and the skills I learned during my MBA continue to guide me in achieving success."

Key Takeaways from Alumni Testimonies:

- **Professional Growth:** Many alumni cite the development of critical skills such as **leadership, strategic thinking, and problem-solving** as key benefits of the MBA program.
- **Real-World Application:** Alumni frequently mention the practical application of knowledge gained through **case studies, internships, and consulting projects**.
- **Networking Opportunities:** Building strong relationships with peers, professors, and industry professionals is a common theme among testimonies.
- **Career Advancement:** Several alumni highlight how the MBA program has helped them advance in their careers, secure leadership positions, or start their own businesses.
