### **Application Developer - Accenture**

With an enduring dedication to the pursuit of excellence, my four-year journey of the B Tech Program at Vignan's Nirula was a remarkable experience, filled with learning opportunities at every step. The study program provides comprehensive course material touching on all the relevant topics.

All this exposure and challenges at Vignan gave me a broader perception and confidence to thrive and prepared me well for the fierce competition in the corporate world.

Currently I am serving as a senior developer at Accenture. I am grateful to Vignan's Nirula Faculty for nurturing and enhancing my talents and giving me the encouragement and self-belief to succeed and strive for better in my professional life.

### **Backend Developer – PayPal, Ex - TCS**

I am currently working as a Backend Developer at PayPal, where I have been for the past year and a half. Prior to that, I spent two years at Tata Consultancy Services, gaining valuable knowledge and experience. I would like to express my heartfelt gratitude to the faculty at Vignan's Nirula for their unwavering support throughout my four years in Computer Science. The hands-on projects and practical work that my professors encouraged us to undertake, in addition to our daily learning, greatly enhanced my understanding and skills. Their mentorship and encouragement have been instrumental in shaping my career and personal growth. The insights I gained during my time there have laid a solid foundation for my professional journey, and I truly appreciate all they have done for me. Thank you for being an integral part of my success!

### **Dotnet Developer - Wipro**

With a steadfast commitment to excellence, my four-year B.Tech journey at Vignan's Nirula was an enriching experience, offering invaluable learning opportunities at every stage. The program's well-rounded curriculum covered all key areas, equipping me with essential knowledge and skills. The challenges and exposure I encountered at Vignan broadened my perspective, boosted my confidence, and prepared me to excel in the competitive corporate landscape. I am currently working as a DotNet Developer at Wipro, and I remain deeply grateful to the faculty at Vignan's Nirula for fostering my growth, nurturing my abilities, and instilling in me the self-belief needed to achieve success and aim higher in my career.

### **Application Developer - HCL Tech**

My four years in the B Tech Program at Vignan's Nirula were an incredible experience, full of learning possibilities at every turn, thanks to an unwavering commitment to the pursuit of quality. The study program offers thorough course materials that cover every important subject.

I gained a wider perspective and the confidence to succeed as a result of all the exposure and challenges I faced at Vignan, which also helped me get ready for the intense competition in the corporate world.

I work at HCL Tech as an application developer right now. I am appreciative of Vignan's Nirula Faculty for developing and refining my skills and providing me with the support and confidence I need to thrive and pursue greater things in my career.
