

TESTIMONIALS

Bhargavi. G

This is Bhargavi, currently pursuing a BTech degree in Information Technology at Vignan's Nirula Institute of Technology and Science for Women College, PedaPalakaluru. Being part of this institution has been a transformative experience for me. Vignan's Nirula Institute of Technology and Science for Women is known for its strong focus on practical learning, which allows us to apply theoretical concepts in real-world scenarios. The college provides numerous opportunities for research and project work, fostering a spirit of innovation among students. I particularly enjoy participating in the various technical clubs, where we collaborate on projects and develop our problem-solving skills. Additionally, VNITSW organizes regular guest lectures and workshops featuring industry experts, giving us valuable insights into current trends and practices. The vibrant campus life encourages participation in cultural and sporting events, helping us build lasting friendships and a sense of community. Our faculty is not only knowledgeable but also genuinely invested in our success, offering mentorship and guidance throughout our academic journey. Overall, my time at Vignan's Nirula Institute of Technology and Science for Women is equipping me with the skills and confidence needed to excel in my future career.
