Dear Vankayala Rekha Aparna

The world is at a major turning point; technology is enabling entirely new forms of business operations, business models, industries and outcomes. We have exponentially more power to reach the full potential of our life's work than any humans before us. This is IBM's vision for the future.

We invite you to join us as a Software Engineer, in band 06G to do your best work ever. You will be working alongside passionate IBMers, business & technology experts, who are constantly building their knowledge and expertise to find the best solutions to help our clients achieve their goals and create new possibilities.

At IBM you will experience an inclusive and collaborative culture where you can offer ideas and solutions, no matter your experience or area of expertise - you have an audience that listens from Day 1. You will have access to world-class learning opportunities to help you create the career you've always imagined. Join us and you'll be proud to call yourself an IBMer.

Your letter of employment is attached, for your review and acceptance. Please do not hesitate to reach out to us in case of queries or concerns. We look forward to hearing from you soon and welcome you to be a part of our team.

Offer: Computer Consultancy
